**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

Attached please find signed copies of 1449 filed 08/09/2004 and 09/07/2006.

The information disclosure statements filed on 08/09/2004, 10/18/2004, 12/08/2004 and 12/19/2005 listing related applications, fail to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609. As per 37 CFR 1.98 (a)(1), a proper IDS listing must have, for each page, a column that provides a space next to each document listed to permit the examiner's initials. Each page of the IDS must clearly identify the application number of the application in which the IDS is being submitted (if known) and each page of the list must include a heading that clearly indicates that the list is an IDS. These required elements are missing. They have been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).
